Let us handle the graphics

Just send us the information listed above and we will send a proof for your approval. It doesn't get much easier.

Why now?

Your advertisement will run in the FHANA Resource Book, a stand-alone publication that will go out to new members and people interested in Friesians for YEARS to come. Even if the Resource Book is reprinted in future years, your advertisement will remain the same! Take Advantage of this unique opportunity to get your advertisement in front of as many eyes as possible.

I'm ready, now what?

Great! Email jtice@fhana.com in order to get started. For a flat rate of \$760 full-page or **\$460 half-page**, you are getting the finished advertisement and the design. That's it. Done. After you send us the content, we will take it from there, and you will be part of FHANA history.
