Chapter News

To be included in the Chapter news, all Chapter submissions must be received by the FHANA office by the 25th of each month. Submissions can be sent to fhana@fhana.com

With many disappointed in no Keurings this year, many members are preparing for fall and cooler weather along with other items coming up. Our Chapter member and overseer for our Latino members, Mario Casarez of RanchMC of Texas has been helping members with videos on care, showing and grooming of their Friesian horses, his weekly production of short commercials and showcasing his horses as well as clients has been a wonderful asset to our Chapter and we are happy to help him promote his Friesian horses. He has training, as well as importing horses for customers, who learn how to feed, their history and look for what makes a great Friesian horse. He has been busy with weddings, graduation, and parties. We look forward to helping him promote his love of the Friesian and thankful for his translation capabilities which is an added benefit to our Chapter.
