the owner of the horse must be a FHANA member in good standing

Name:

Address:

City:

State/ Province:

Phone number:

Email Address:

Vet statement

Signature vet:

Date:

The parentage must be traceable back to KFPS registered horses by means of DNA testing, for this testing a veterinarian has to pull hair samples of the sire, dam and foal. We will no longer take DNA profiles that were previously on record. **Please submit DNA for both parents and Foal.**

You will receive the invoice for the DNA testing and registration directly from the KFPS.

You can send this completed filled in form with the hair samples to:

KFPS att. Eveline van Kooten

Postbus 624

9200 AP Drachten

The Netherlands
