

Fernando Horowitz: Candidate for FHANA Board of Directors

Dear FHANA Members:

It is with great enthusiasm that I share my background and vision with you. My name is Fernando Horowitz, and I am not only a dedicated Friesian horse breeder but also a seasoned flight attendant. My unique combination of professions has allowed me to make monthly trips to the Netherlands. These visits have been instrumental in deepening my understanding of the Friesian horse, Dutch culture, establishing valuable relationships, and staying abreast of the latest developments in the Friesian community.

In 2018/2019, I had the honor of serving in a leadership role as the Vice President on the Board of the South Central Friesian Horse Association. During this time, I brought a fresh perspective to the local FHANA chapter, actively contributing to the organization's growth and success. My involvement included hosting inspections, where I engaged with fellow breeders and enthusiasts, fostering a sense of community.

Currently, I proudly serve as the Chair of the FHANA ABFP/Stallion Inspection committee. In this capacity, I am dedicated to upholding the highest standards in stallion selection and breeding practices. My role involves facilitating educational initiatives and fostering an environment that encourages responsible breeding.

To further enhance my expertise, I attended a comprehensive breeding class in Houston. This educational opportunity covered mare management, artificial insemination, embryo flushes, and embryo transfer. The knowledge gained has not only strengthened my skills as a breeder but has also fueled my commitment to promoting education within the FHANA community.

If elected to the FHANA Board of Directors, my primary focus will be on promoting education within our community. I believe that an informed membership is key to the responsible ownership and breeding of Friesian horses. I am committed to creating opportunities for learning, sharing knowledge, and ensuring that every member feels empowered in their journey with Friesians.

I am excited about the possibility of contributing to the future of FHANA and humbly ask for your support in the upcoming election. Together, let us continue to elevate our beloved Friesian community.

Thank you for your consideration.

Sincerely,

Fernando Horowitz
