

**Veterinary Certification of Height**

*Note to Veterinarian- The easiest way to measure the withers height on a Friesian is to get the horse to drop his head then measure the highest point where the neck meets the back.*  
*Note to Horse Owner - The FPS has agreed to accept this certification of height as long as it is returned within 90 days of the inspection in which the horse is judged.*

**For the Friesian horse named:**

**Name:** \_\_\_\_\_

**Registration No:** \_\_\_\_\_

**Chip Number:** \_\_\_\_\_

*Alternatively, older horses may be identified by a tongue number*

**Tongue Number** \_\_\_\_\_

**The shoulder height of this horse is** \_\_\_\_\_  **hh**  **in**  **cm**

**Certifying Veterinarian**

**Name** \_\_\_\_\_

**Telephone** \_\_\_\_\_

**Signature** \_\_\_\_\_ **Date:** \_\_\_\_\_
