

# Paying the KFPS Invoice.

Paying the KFPS may seem intimidating but it all comes down to 4 things, the **company name**, the **company address**, the **IBAN** and the **BIC**.

1. The company name is **Het Friesch Paarden-Stamboek**, as seen on the bottom of the invoice.

2. The Company address is on the **right hand side near the top of your invoice**.

3 & 4. There are **three IBAN and BIC numbers** available to you to use. There is one in the **email** to which your invoice is attached. And there are **two on the invoice itself on the right hand side under the address**. You will only need to use one IBAN/BIC combination. We recommend using the IBAN/BIC numbers that appear in the email, however, the other two will still get the wire transfer to the correct location

**These four bits of information is all you need, print the email and the invoice and take it to your bank, and they will wire the money to the KFPS.**

The **IBAN** or International Bank Account Number is the international standard for identifying international bank accounts across national borders.

The **BIC** or Bank Identifier Code is a unique address that identifies precisely the financial institutions involved in international financial transactions.
