FHANA Implements Pricing Changes

The FHANA Board recently adopted price increase for the following.

Why the increase? The KFPS has increased their fees 9.1% since 2012 and FHANA can no longer absorb the fee increase. The board has left categories 5 & 6 adult mares at the fee of \$135.

Inspection Fees:

Category 3-4 \$135

Category 7-14 \$135

Category 17 \$135

New Inspection Category: Starting in 2017, members will now be able to bring your young Colts for premium.

Category 15-Yearling colts for Premium \$135

Category 16-Two-Year Old colts for Premium \$135

New Awards Fee:

FHANA will be implementing an Awards fee of \$25 for all FHANA members marked as eligible to participate in the USDF All-Breeds Program. In order to be eligible, you must have a current FHANA membership, and your horse must be shown under their KFPS/FHANA registered name.

Why implement this fee? The USDF fees charged to us continue to rise, and FHANA can no longer absorb these fees and also pay for the awards themselves.

How will this work? Once you have declared yourself for FHANA, and have met the requirements, FHANA will send you an invoice in the amount of \$25. After that invoice is paid, you will be marked as eligible by the FHANA staff. All requirements **MUST** be met by Sept. 30, 2017 in order to be eligible.

FHANA to offer Hydrocephalus & Dwarfism Testing

Starting in 2017, FHANA will now offer the Hydrocephalus and Dwarfism testing as part of your Foal Parentage Verification test. This testing will occur at the University of Kentucky. FHANA members will no longer need to send a separate sample to us to be sent to the KFPS for testing.

This testing is on a voluntary basis for the time being and the cost for the testing is \$60.

While this test is available for all horses, it is highly recommended for fillies, ster, kroon, or model mares, along with all brood mares.

Details for the testing will be sent along with your foal registration kits.

Inspections 2017
