Inspection Time...

The 2018 Inspections will be here before you know it. The Inspection Committee is working hard to update all of the information available to you including the inspection handbook. First we thought we would release the inspection dates so you can start planning your schedule.

2018 Foal Picture Contest

Foaling season has begun and FHANA wants to see your 2018 babies! We would love to have new foals posted daily and see who gets the most likes within a 24 hour period. The 'most liked' weekly foal and owner will get a special shout out! So, go ahead and take the chance to brag about your new foal and flood FHANA's email box with those pictures at fhana@fhana.com!

FHANA Adopts New Policy

That policy is as follows-All new ster mares will be tested at the completion of the 2018 inspections. The fee for the testing is \$50 and will be billed to each member and must be paid before your papers are returned. Starting in 2019-All breeding stock will be

tested if it hasn't been tested already. You will receive an invoice from FHANA for the fee when you register your foal. If both sire and dam are negative, then testing of the offspring is not required. FHANA would still encourage members to have their mares voluntarily tested.
