## Friesian Horse Club of Southern California

Well, the foaling season began in March for the FHSC, and so far, we have a filly and a colt born to two of our club members. The first baby Black Pearl, a filly named Ixia (Bartele 472 x Uldrik 457 x Doaitzen 420) arrived at the home of our newest club member, Brian Gutierrez on March 12th. Ixia's dam was imported in foal to Bartele 472; they are Brian's first Friesian and Friesian foal. Ixia is a

sturdy and alert youngster with great presence and style; we look forward to seeing her surely lovely movement at the Keuring this year, another first Friesian experience for Brian.

Our second baby Black Pearl, a colt was the first foal of Minuet fan Tara Farms (Sipke 450 x Wander 352) and her owner, our club treasurer, Devon Wyman. Ilari was born on May 2nd which is Devon's birthday. She declared him to be her best birthday present ever, but it was a bit of a birthday plan wrecker as he "popped out of the cake" unexpectedly - so to speak. Nonetheless, in addition to his well-timed entrance, he won her heart over completely when he curled up with his head in her lap not too long after his arrival. A curious and impish foal, he showed his endearing nature early on by playing Peek-a-Boo with Devon under his mom's belly and generally being entertaining. We look forward to seeing this Hessel 480, American-born colt strut his stuff at the Keuring in September.

Our next foal is due on the 4th of July and we shall see if the fillies or the colts have the majority. It will be a Jisse 433 x Sape 381 x Folkert 353 Pref foal. I'm praying for a healthy delivery, healthy first-time mom, and healthy Baby Black Pearl - no preference for which sex. Yes, it's mine. If all goes well, I'll have my future four-in-hand with all 16 hooves on the ground. (Of course, if I include my foundation mare and then just one more foal.... a six, you say? Well, as club member, Suzy Seamon says, "They're like potato chips; you can't have just one!")

Speaking of Suzy, she and her mare, Integrity (Ulbert 390), entered a Working Equitation competition for the first time at the Intro Level. She says, "It's difficult! You can easily get yourself disqualified.". Bryan Ludens riding Aimee Ziller's stallion, Lark of Honor Bright (Wicher 334) has been competing in Novice A regularly and they are in the top national standings right now. Michelle Hill and Jasper J (Thomas 327) are continuing in Level One English Dressage competitions and doing very well. We look forward to marking their progress by mid-summer.

The FHCS wishes all much enjoyment in your endeavors whether you are new or seasoned Friesian aficionados, or, you just like to look at the pictures and dream. Happy trails!
