**Ridden IBOP Test correction:** It has come to our attention that there is a typo on the Ridden IBOP Test line number 13. The line should read between "**A & F Working Trot**". We will get this corrected on the test and we thank those that brought it to our attention so quickly.

**Reminder:** All newly awarded ster, kroon, and model horses will receive an invoice for \$100 for the newly awarded predicate. Additionally, if your ster, kroon, or model horse has not completed the Hydrocephalus & Dwarfism test, it is mandatory to complete this before your papers will be issued. The fee of \$60 will be included with your predicate fee if testing is necessary.
